HAPPY NU YEAR!

A MESSAGE FROM OUR PRESIDENT

Dear Chevra,

We've been very busy leading into the new year! Thanks to everyone who attended our AGM - I hope it gave you a chance to voice your opinions, share your ideas, and meet our dedicated Board and volunteers. If you ever have any questions or suggestions, please do not hesitate to reach out. We've had several very successful events recently. Justin Lewis blew the dust off of our book collection and gave us a fascinating look at the treasures in our library - todah rabah! Also, our Chanukah lunch was as well attended as it was delicious! Kol hakavod to our wonderful team of volunteers! 2025 brings many new and exciting projects. As you know, we have been able to upgrade our security system thanks to a grant from the JFM. We have also made major changes to freshen up the look of the synagogue. Our sanctuary's 60 year old carpet and tile have been replaced after serving us well for countless events over the years. Why not come see for yourself on Shabbos? If you want to commemorate your Bar or Bat Mitzvah by reading your maftir or haftarah, hosting a kiddish, or honouring a yartzheit, we would love to see you at shul. We are so grateful to have a warm group of "minyannaires" who would be happy to welcome new faces and voices to join our special chevra.

Am Yisrael chai!
